Experience

Freelance Artist - Illustrator

Jan. 2024 - Current

- Painting and drawing illustrations in Adobe Photoshop to bring the client's vision to life.
- Creating multiple ideations to assist the client in visualizing exactly what they imagined.
- Sending several work in progress images from the sketch to final render to avoid all miscommunication.

Freelance Artist - Convention Artist

May 2025 - Current

- Traveling to various conventions to sell my art goods to crowds of people.
- Creating products in a limited time-frame to have inventory and new products to market within the artist alley.

Amazon - Delivery Warehouse Associate

Nov. 2023 - Current

- Being in the top 10 stowers with a max stow rate of 560 to quickly organize packages into the correct totes for the delivery drivers.
 - Reducing waste by 10% by reusing labels and saving as many damaged packages as possible in Problem Solve.
 - Working as a team player by being flexible and filling in wherever I was needed for the process.
